LONG HILL TOWNSHIP COMMUNITY DAY

Dear Resident,

Long Hill Township has scheduled its Third Annual Community Day for Saturday, September 4, 2010 (rain date on September 5th), from 11:00 a.m., until 9:00 p.m., with fireworks immediately thereafter. Please mark your calendars!

Once again, Community Day will be a traditional town-wide picnic held at Riverside Park featuring sports, games, food and local bands. We also will have a bake-off competition, small rides for children, hot dog and pie eating contests, and a hot-air balloon. Immediately following the picnic, we will present a Battle of the Bands, after which we will announce the winners of the Super 50-50 and enjoy another great display by Garden State Fireworks.

At the picnic, we will also help raise funds for our volunteer emergency services organizations. The fire companies and Community Emergency Response Team will be on hand to meet you and exhibit their skills. They will feature demonstrations with their equipment and a foam and water wet-down for the kids.

Many of our local businesses have agreed to sponsor and generously contribute to Community Day relieving us of most of the costs. All net proceeds of the picnic will be donated to our local volunteer emergency services.

Please review the list of the events on the back of this page. There is something for the entire family. We will be updating this list as we get closer to the event. I look forward to seeing you there!

If you have any questions, please contact the Administrator's Assistant, Andrea Tsimboukis, at Town Hall (908-647-8000, ext 211), or me at g.vitureira@verizon.net. You could also check our town website for updates.

Sincerely,

George Vitureira
Township Committeeman
Community Day Committee Chairman
